Mine Safety... More to it than you Know!

Hi! My name is Molly mine but you can call me mighty M!

Stop!

Don't go near, or into mines! Dozens of people a year get hurt or killed at active abandoned mines!

Hi! My name is Sammy Safety, but you can call me Super S!

Mighty M is right, mines are dangerous! They're not playgrounds. Bring your sister to a REAL playground!

Danger!

Don'T Enter!

Thanks Mighty M and Super S for Keeping us informed and Safe!
