Petition for Modification

<u>Docket No.</u>	<u>30 CFR Standard</u>	<u>Granted</u>	<u>Finalized</u>
M-1990-101-C	75.1103-4(a)	June 5, 1991	July 5, 1991

PROPOSED DECISION AND ORDER TO REVOKE

The subject petition for modification was granted to the Shamrock Coal Company's No. 18 Mine in June 1991. The approval required a low-level carbon monoxide detection system to be installed in all belt entries used as intake air courses. In August 2006, MSHA received notice from Shamrock Coal Company stating that the subject mine is no longer using belt air and that the mine is complying with current regulations. The petitioner requested that the modification be revoked. Therefore, the modification is not needed at the referenced mine. Wherefore, pursuant to the authority delegated by the Secretary of Labor to the Administrator for Coal Mine Safety and Health, and pursuant to section 101(c) of the Federal Mine Safety and Health Act of 1977, 30 U.S.C. 811(c), the modification as it applies to the referenced mine is hereby:

REVOKED

Pursuant to 30 CFR 44.52, revocations of the granted modifications will become final 30 days after service of this Proposed Decision and Order to Revoke, unless a hearing is requested on the Decision and Order. Any party to this action desiring a hearing on this matter must file in accordance with 30 CFR 44.14, within 30 days. The request for hearing must be filed with the Administrator for Coal Mine Safety and Health, 1100 Wilson Boulevard, Arlington, Virginia 22209-3939.

If a hearing is requested, the request shall contain a concise summary of the position on the issues of fact or law desired to be raised by the party requesting the hearing, including specific objections to the proposed decision. A party other than Petitioner who has requested a hearing shall also comment upon all issues of fact or law presented in the petition, and any party to this action requesting a hearing may indicate a desired hearing site.

If no request for a hearing is filed within 30 days after service thereof, the Order to Revoke will become final.
