

## CURRICULUM VITAE

Robert E. Glenn, CIH, M.P.H.  
Glenn Consulting Group, LLC  
2607 Seabrook Island Road  
Johns Island, SC 29455-6059  
Telephone: 843.793.3379  
E-mail: [Bob@GlennConsultingGroup.com](mailto:Bob@GlennConsultingGroup.com)

### GENERAL

Date of Birth:	January 19, 1944
Place of Birth:	Florence, South Carolina
Marital Status:	Married, March 23, 1968 to Sandra Leigh Holmes
Children:	Three
Current Home Address:	2607 Seabrook Island Road Johns Island, SC 29455-6059 Telephone 843.768.0593

### EDUCATION

Clemson University, Clemson, South Carolina, B.S., 1967

University of Minnesota, School of Public Health, Minneapolis, Minnesota,  
M.P.H., 1976

West Virginia University, College of Engineering, Morgantown, West  
Virginia, Post Graduate Studies

### PROFESSIONAL EXPERIENCE

June 2010 to Present – Principal, Glenn Consulting Group, LLC, 2607  
Seabrook Island Road, Johns Island, SC 29455

May 2004 to Present – Consulting Scientist, Crowell & Moring, 1001  
Pennsylvania Avenue, NW, Washington, DC 20004

April 2002 to April 2004 – President & CEO, Industrial Minerals Association  
– North America, 4061 Powder Mill Road, Suite 450, Calverton, MD 20705.

April 1992 to April 2004 – President & CEO, National Industrial Sand  
Association, 4061 Powder Mill Road, Suite 450, Calverton, MD 20705

AB64-COMM-73-3

## PROFESSIONAL EXPERIENCE (CONT'D)

April 1989 to April 1992 - Vice President of Industrial Hygiene, National Industrial Sand Association, 4041 Powder Mill Road, Suite 402, Calverton, MD 20705.

October 1988 to April 1989 - Director of Industrial Hygiene, National Industrial Sand Association, 4041 Powder Mill Road, Suite 402, Calverton, MD 20705.

December 1982 to September 1988 - Director, Division of Respiratory Disease Studies (DRDS), National Institute for Occupational Safety and Health (NIOSH), 944 Chestnut Ridge Road, Morgantown, WV 26505.

December 1981 to December 1982 - Acting Director, Division of Respiratory Disease Studies (DRDS), National Institute for Occupational Safety and Health (NIOSH), 944 Chestnut Ridge Road, Morgantown, WV 26505.

August 1981 to December 1981 - Acting Deputy Director, DRDS, NIOSH, 944 Chestnut Ridge Road, Morgantown, WV 26505.

November 1979 to August 1981 - Chief, Environmental Investigations Branch, DRDS, NIOSH, 944 Chestnut Ridge Road, Morgantown, WV 26505.

February 1979 to November 1979 - Team Leader, Respiratory Disease Studies Team, Environmental Investigations Branch, DRDS, NIOSH, 944 Chestnut Ridge Road, Morgantown, WV 26505.

September 1978 to February 1979 - Industrial Hygienist, Environmental Investigations Branch, DRDS, NIOSH, 944 Chestnut Ridge Road, Morgantown, WV 26505.

August 1977 to September 1978 - Chief, Medical Systems Safety and Health Branch, U.S. Army Environmental Hygiene Agency (USAEHA), Aberdeen Proving Ground, MD 21010.

July 1976 to August 1977 - Technical Coordinator for Field Activities, Industrial Hygiene Division, USAEHA, Aberdeen Proving Ground, MD 21010.

November 1974 to July 1976 - Chief, Demilitarization Operations Branch, Industrial Hygiene Division, USAEHA, Aberdeen Proving Ground, MD 21010.

September 1973 to November 1974 - Industrial Hygienist, Industrial Hygiene Division, USAEHA, Aberdeen Proving Ground, MD 21010.

## PROFESSIONAL EXPERIENCE (CONT'D)

September 1972 to September 1973 - Student, School of Public Health, University of Minnesota, Minneapolis, MN 55455.

May 1970 to September 1972 - Chief, Field Training Branch, and Instructor, U.S. Army Medical Field Service School, Preventive Medicine Division, Fort Sam, Houston, TX 78234.

May 1969 to May 1970 - Commanding Officer, 105th Medical Detachment, APO, San Francisco, CA 96312.

July 1968 to May 1969 - Entomologist, Third U.S. Army Medical Laboratory, Fort McPherson, GA 30333.

May 1967 to July 1968 - Medical Entomologist, South Carolina State Board of Health, 2600 Bull Street, Columbia, SC 29201.

## OTHER PROFESSIONAL ACTIVITIES

Editorial Board Member, American Industrial Hygiene Association Journal, 1990 - 2003.

Delegate, Joint European Union/United States Conference on Health and Safety at Work, Luxembourg, October 13-16, 1998.

Editorial Board Member, Applied Industrial Hygiene, 1986 - 1990.

President, Maryland Industrial Hygiene Council (AIHA State Government Affairs Organization), 1995-1996

Vice President, Maryland Industrial Hygiene Council 1994 - 1995.

Chairman, E 34 Committee on Occupational Health and Safety, American Society for Testing and Materials, 2001 - 2004

Second Vice Chairman, E 34 Committee on Occupational Health and Safety, American Society for Testing and Materials, 1995 - 2001

Treasurer, Maryland Industrial Hygiene Council, 1993 - 1994.

Chairman, Occupational Health Standards Committee, American Industrial Hygiene Association, 1992 - 1994.

Member, Occupational Health Standards Committee, American Industrial Hygiene Association, 1988 - 1994.

## PROFESSIONAL EXPERIENCE (CONT'D)

Member, Occupational Epidemiology Committee, American Industrial Hygiene Association, 1989 - 1992.

Membership Secretary, E 34 Committee on Occupational Health and Safety, American Society for Testing and Materials, 1988 - 1993.

Executive Secretary, Mine Health Research Advisory Committee, Department of Health and Human Services, 1985 - 1988.

Member, NIOSH Long-Term Training Committee, 1981 - 1988.

Member, Advisory and Program Planning Committee, Annual Institute on Coal Mining Health and Safety Research, Virginia Polytechnic Institute and State University, 1982 - 1988.

Head of the U.S. Occupational and Environmental Health Delegation to the Peoples' Republic of China, NIOSH-NIEHS, 1983.

Member, Intramural Center Advisory Review Panel for Funding of NIOSH Educational Resource Centers, 1983 - 1988.

Chairman, Program Committee, International Conference on the Health of Miners, June 2-7, 1985.

Chairman, Occupational Lung Disease Panel, National Symposium on the Prevention of Leading Work-Related Diseases and Injuries, May 1-3, 1985, Atlanta, GA.

Adviser to the Pan American Health Organization on Asbestos and Health in Latin America, Mexico City, October 31 - November 1, 1985.

Conference Chairman, VIIth International Pneumoconiosis Conference, International Labour Office, Geneva, 1986 - 1988.

Chairman, Program Committee, National Symposium on the Prevention of Leading Work-Related Diseases and Injuries, October 28-31, 1986, Cincinnati, OH.

Project Officer, NIOSH Task Force on the Pneumoconioses, American College of Radiology, 1986 - 1988.

Adviser to the World Health Organization on Occupational Health of Miners, Geneva, July 1986.

## OTHER PROFESSIONAL ACTIVITIES (CONT'D)

Member of the Search Committee for Director of the Institute of Occupational Safety and Health, School of Medicine, West Virginia University, 1987.

## ACADEMIC APPOINTMENT

Adjunct Associate Professor, Department of Industrial Engineering, College of Engineering, West Virginia University, Morgantown, WV, 1979 - 1988.

## HONORS AND AWARDS

Fellow, American Industrial Hygiene Association, 2007

U.S. Army Bronze Star Medal, May 1970.

Commissioned Officer, U.S. Public Health Service, Captain (Retired), 1988

United States National Defense Medal, July 1968.

Commandant's List, U.S. Army Medical Department Officer Basic Course, September 1968.

United States Vietnam Campaign Medal with Five Campaign Stars, May 1970.

Republic of Vietnam Service Medal, May 1970.

Commandant's List, U.S. Army Medical Department Officer Advanced Course, July 1971.

Top Graduate in Environmental Health, School of Public Health, University of Minnesota, 1972-1973.

U.S. Army Commendation Medal, September 1978.

## PROFESSIONAL MEMBERSHIPS

American Industrial Hygiene Association

Potomac Section, American Industrial Hygiene Association  
Chesapeake Section, American Industrial Hygiene Association  
Pittsburgh Section, American Industrial Hygiene Association  
Yuma Pacific Southwest Section, American Industrial Hygiene Association  
President, Vice President and Treasurer, Maryland Industrial Hygiene  
Council (State Government Affairs Organization)  
Chair, Occupational Health Standards Committee  
Occupational Epidemiology Committee

American Conference of Governmental Industrial Hygienist

American Academy of Industrial Hygiene (Diplomate)

American Thoracic Society

Maryland Thoracic Society

American Society of Testing Materials

British, Occupational Hygiene Society

### PROFESSIONAL CERTIFICATIONS

American Board of Industrial Hygiene, certified by the Board in the Comprehensive Practice of Industrial Hygiene through examination, Certification No. 2030, 1981.

State of Illinois, Licensed Industrial Hygienist, License Number 0030, 1994.

International Hazard Control Manager Certification Board, past certified by the Board as a Certified Hazard Control Manager, Master Level, Certification No. 904, January 1978.
