

## Guidance on the Use of the Alliance Program Logo

The Mine Safety and Health Administration (MSHA) Alliance Program logo is the property of MSHA and is not available for general use. The logo reflects that a product was developed as part of the MSHA Alliance Program for informational purposes only. It does not necessarily reflect the official views of MSHA or the U.S. Department of Labor (DOL) and should not be construed as an endorsement of the entity, its products, or services. Use of the Alliance Program logo is reserved for MSHA and active Alliance Program participants. The logo may not be used for fundraising or lobbying efforts, or to imply that MSHA endorses a particular entity or its actions, products, or services. MSHA, DOL's Office of the Solicitor, and Alliance Program participants must approve all uses of the Alliance Program logo before the logo is used including:

### Alliance Program Resources

The Alliance Implementation Team should discuss all products developed by Alliance Program participants.

### Print Resources

- Alliance Program products, such as manuals, reports, studies, fact sheets and other publications developed in consultation with MSHA through the Alliance Program.
- Banners and brochures developed by Alliance Program participants, as well as conference, roundtable discussion, and forum materials.

## Online Resources

- Websites developed by Alliance Program participants.

Note: The logo may not be used to give the appearance that an Alliance Program participant's or other website is part of the MSHA website. An Alliance Program participant may link to MSHA's website without prior authorization, provided there is a clear delineation between MSHA's website and the Alliance Program participant's website.

- PowerPoint presentations, videos, DVDs, and other media materials developed in consultation with MSHA through the Alliance Program for informational and/or training purposes.

Additionally, MSHA will use the Alliance Program logo on the following resources:

- The Annual Report on the Alliance Program.
- The MSHA Alliance Program webpage and other MSHA webpages related to the Alliance Program (e.g., MSHA Information Hub [webpage \(https://www.msha.gov/infohub\)](https://www.msha.gov/infohub)), accessible from MSHA's [website \(https://www.msha.gov\)](https://www.msha.gov).

## Disclaimer

When possible, all Alliance products and materials must include the following disclaimer:

This product was developed as part of the MSHA Alliance Program. It does not necessarily reflect MSHA's official views. Use of the Alliance Program logo is reserved for MSHA and its active Alliance partners. The MSHA Alliance Program promotes miner safety and health through voluntary partnerships that provide training and education, outreach, technical assistance, and a national dialogue on mine safety and health.
