

Coal - Number of Valid MSHA & Operator Respirable Dust Samples

Underground Coal - MSHA & Operator Samples Average Dust Concentrations at Designated Occupations*

* Designated Occupations (DO) are occupations exposed to the highest levels of respirable coal mine dust. Calendar Year data.

Coal - All MSHA & Operator Respirable Dust Samples Over Standard (%)

Slide Code: CH-3

Coal - Number of Valid MSHA Quartz Samples

Slide Code: CH-4

Coal - MSHA Samples Average Quartz Concentration at Designated Occupations*

* Designated Occupations (DO) are occupations exposed to the highest levels of respirable coal mine dust. Calendar Year data.

Coal - MSHA Quartz Samples % > 100 $\mu\text{g}/\text{m}^3$
