

2018 National Metal and Nonmetal Mine Rescue Contest

CONTEST INFORMATION:

The Central Kentucky Mine Rescue Association is pleased to announce the 2018 National Metal and Nonmetal Mine Rescue contest will be held on July 23 - 26, 2018 in Lexington, KY. This contest is being held in conjunction with Joseph A. Holmes Mine Rescue Association, Carmeuse Lime and Stone and the Kentucky Crushed Stone Association. We would like to take this opportunity to personally invite you to participate.

The Mine Safety and Health Administration (MSHA) will provide the field, written and technical problems for this event. MSHA will judge the competition events and determine the winners. The contest will be comprised of four events: 1) Field Competition; 2) Technician Team Competition; 3) First Aid Competition, and 4) Team Trainer Competition. Each event will include a written examination. The competition will take place at the Lexington Convention Center in Lexington, Kentucky.
