Electrically Operated Mining Equipment
Field Approval Application (coal operator)

U.S. Department of Labor
Mine Safety and Health Administration

(Complete this form for each electrically operated machine.)

OMB No. 1219-0066, Expires January 31, 2018

Public reporting burden for this form is estimated to average 11 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting the form. This collection of information is mandatory. You are not required to respond to this collection of information unless it displays a valid OMB control number. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: to the Mine Safety and Health Administration, U.S. Department of Labor, Office of Standards Regulations and Variances, 201 12th Street South, Suite 401, Arlington, VA 22202-5452, Paperwork Reduction Project (1219-0066). NOTE: Do not send your completed form to this address.

Date of Request | Name and Title of Applicant | Address

Mine in Which Machine will be Used | Mine ID

Type or Model Number | Serial Number | Type of Machine
