

# MSHA State Grants Demographic Information Progress Report

Public reporting burden for this form is estimated to average 2 hours per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting the form. This collection of information is required to retain benefits. You are not required to respond to this collection of information unless it displays a valid OMB control number. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: to USDOL-Mine Safety and Health Administration, 201 12th Street South, 4th Floor West, Arlington, VA 22202-5452, Paperwork Reduction Project (1219-0157).
