

Grants Management System Modernization

What's Happening?

The Department of Labor (DOL) is replacing its grants management system. Select grants programs are now managed through this new system (AMS-Grants and its affiliated portal, FedConnect). This **change impacts grantees** in the following ways:

1. Grantees must sign up for a **free FedConnect account**, if they don't have one already
2. Grantees will submit quarterly financial reports (e.g., SF-425) **via the new FedConnect portal**

What Do I Have to Do?

DOL is beginning to manage grants via a new system (AMS-Grants) and its affiliated grantee portal, FedConnect.

To submit required financial reports in the new system, grantees need to:

1. **Sign up for FedConnect**
2. **Submit reports via FedConnect**
