*25th Annual
Oklahoma Mine
Health & Safety
Conference*

October 6, 2016

Conference Information

The 2016 Oklahoma Mine Health and Safety Conference will be held in Norman, Oklahoma on October 6, 2016. This is the 25th Annual Conference and we are extending a special invitation for everyone to join us for this important safety and health seminar. The meeting will provide a variety of safety and health workshops representing various sectors of the mining industry, including new "push items" from MSHA.
